

Theatre Group - Workshop Format – Caterina Pizanias

Dear Parents,

There is a theatre group being offered starting in January. This group is for students **16 years of age and up**. This will give students and youth an opportunity to learn about many aspects of theatre as well as perform in Greek. This workshop format is offered in an effort to give the students a good block of time for learning and to also give those students with busy schedules an opportunity to be involved in something without having to commit to a weekly class.

The workshops will be on three separate dates: **January 30, February 27 and March 27**.

The performance date is tentatively scheduled for **April 10**.

The classes will run from 1:00 – 6:00pm. Those who register for this theatre group must attend **all three workshops** and the **performance**.

There is a MINIMUM of 10 students that must register in order to have a workable number of actors so that these workshops may be offered.
