

Greek Community School of Calgary

Level 2 Curriculum ✓blue

Guiding Principles

- Learning activities will be meaningful and experiential.
- All vocabulary is to be taught with the proper article and accent (ο τόνος) and they should always be visible and present.
- Mastery sequence for all levels is: Listening Comprehension, Oral Production, Reading Comprehension, Written production
- Once a new concept has been introduced, it is to be worked on and then reviewed several times and in different ways until students demonstrate a mastery of that concept.

MASTERY: (automatic and internalized response applied & assessed in a variety of contexts)	Listening Comprehension Students will demonstrate comprehension of what they have heard, in Greek, through oral, visual or written confirmation	Oral Production Students demonstrate knowledge and express opinions orally, in Greek, through their responses and presentations	Reading Comprehension Students will demonstrate comprehension of what they have read, in Greek, through oral, visual or written confirmation	Written Production Students demonstrate knowledge and express opinions in phonetic written form, in Greek, through their responses and written work
